

recognize that the cost of energy, the cost of power is expensive enough as it is and no one in this body is going to say that we should do away with a critical area habitat for the whooping crane if it is deemed to be necessary for the survival of the crane. But if, in the opinion of the department, it is not necessary then the designation would be removed and it would also then remove from those power companies, those municipalities, the necessary documentation as to the impact of their actions upon the critical area habitat of the crane. I think it is a reasonable resolution. It is one which certainly I don't think can be faulted. I have had no criticism from anyone, either the environmental movement or otherwise, and I think that we ought to adopt the resolution. I'll be glad to answer any other questions. Now it is not my intention to endanger the whooping crane in any way.

PRESIDENT: Is there further discussion on LR 46? If not, all those in favor of the resolution vote aye, opposed vote nay. Please record your vote, aye or nay, on LR 46. Have you all recorded your vote? We are voting on LR 46. Have you all recorded your vote? The Clerk will record.

ASSISTANT CLERK: 27 ayes, 1 nay on the motion to adopt the resolution. (See page 413 of the Legislative Journal.)

PRESIDENT: The motion to adopt the resolution prevails and LR 46 is adopted. Do you have matters for the record at this time, Mr. Clerk?

CLERK: Mr. President, I have a hearing notice from the Administrative Rules and Regulations Committee for Monday, February 11, signed by Senator Hannibal. Notice from the Appropriations Committee for February 7, 13 and 14, signed by Senator Warner.

Mr. President, Senator Abboud would like to add his name to LR 44 as co-introducer. (See page 414 of the Legislative Journal.)

PRESIDENT: If without objection, so ordered. Senator Marsh, the Speaker made a request that we recess until eleven-thirty. Would you like to make a motion to that effect?

SENATOR MARSH: Mr. President, I move we recess until
